

SS-6: Slot Socket™ Deep Flip Impact 3-in-1 Hex: 9/16" and 3/4"

Features & Benefits:

- 3 functions in one flip socket (3/4", 9/16" plus the slot)
 - Two hex nut sizes in one socket:
 - 3/4" 12-point socket for transformers and clamps
 - 9/16" 12-point socket for copper lugs and grounds
 - Slot on both sides tightens and loosens multiple items, including:
 - Grounding clamps
 - Hot line clamps
 - Stirrups
 - Underground feed through bushings
 - Temporary arm insulators
 - Dead-end shoes
- Impact-rated flip-style socket for quick change between sizes
- Includes 1/2" female to 3/8" male drive adapter (SS-FAD)

9/16"

Slot for Stirrups & Hot Line Clamps
